

Ramsey High School
Request for Alternative Transportation

I request permission for my son/daughter, _____ (student name)

To ride with _____ (must be an adult or family member)

To and from _____ (name of athletic event)

Scheduled on _____ (date and time of event)

I understand that Ramsey High School provides transportation but there are special circumstances that necessitate this request. A parent's written/email request for their child to be transported by another student's parents must also be accompanied by a written/email request from the other child's parent (the driver). These types of requests should be emailed or done in writing to their coach at least 24 hours in advance. **Under NO circumstances will a student be permitted to be transported by another student.**

This document will release the Ramsey School District from any and all liability which may occur as a result of my child not traveling to and from the event. Thus, I hereby release the Ramsey School District and its employees and officers from any and all liability with reference to the above stated transportation.
