CPR FOR KIDS

You are never too young to learn safety and lifesaving skills. This class will serve as the ideal program to introduce basic CPR to our younger students. Learn how to identify when someone needs CPR and how to make a call to 911 for help. Practice chest compressions on manikins and learn basic “airway” anatomy to understand what happens when someone is choking and how to carry out a choking rescue. This is a NON-CERTIFICATION course. **GRADES 4-5.**

Instructor: Jacqueline Mann

Class Fee: \$55/ RED Discount \$40

Time: Wednesday; 4:00pm-6:00pm

Location: Dater School – Media Center

Class Date: 5/3/23
