**GENERAL PROVISIONS RELATING TO FACILITY USE**

- |  |   |
|--|---|
| <p>A. School activities shall have priority in the use at school facilities. No permit for the use of a school facility will be granted to any outside group until such time as the annual school activity calendar has been established and approved.</p> <p>B. No permit shall be issued for the Senior High School facilities (except for a School Oriented Program or Municipal Government Agency) while a school program or activity is being conducted at the Senior High School.</p> <p>C. Any application and approval for facility use shall not constitute a landlord-tenant relationship, but shall merely constitute a permit which is revocable for good cause or transfer to another facility when required by a school need.</p> <p>D. Applicants may request a particular facility, and if no school program or activity is being conducted in the facility, the facility shall be reserved for the organization. If, in the opinion of the Board of Education, it is determined that for the safety of the facility or personnel that the program should be moved to another facility, the Board shall attempt to make an alternate facility available from that originally requested.</p> <p>E. Only Board of Education personnel may operate the technical equipment belonging to the School District such as microphones, kitchen equipment, recorders, etc.</p> <p>F. Organizations shall be responsible for the action of its members, invitees, and others using the facilities under their auspices. Abuse of the use permit shall constitute grounds for cancellation of reservations already made and refusal of new reservations.</p> <p>G. All reservations shall be made through the office of the Secretary of the Board, at least two weeks in advance of the proposed use.</p> | <p>H. Any request of less than two weeks may be a basis for administrative rejection as untimely. The Secretary shall clear the availability of the requested facility with the school principal.</p> <p>I. Reservations for other than classrooms will not be accepted beyond a three month period; however, requests beyond that period will be noted in order of receipt, to be considered at a later date. This limitation shall not apply to School Orientated Organizations or Municipal Government Agencies.</p> <p>J. Setting up of equipment (chairs, decorations, etc.) shall be done outside of school hours and must not conflict with school activities or programs.</p> <p>K. Superintendent of Schools, Assistant Superintendent of Schools, Principals and Vice Principals of the facility used, Supervisor of Buildings and Grounds and all Board of Education trustees shall have free access to all facilities are used by non-school organizations.</p> <p>L. Building regulations (safety, health, and use) applicable to any facility shall be adhered to by using organizations.</p> <p>M. Smoking is prohibited on school property. The use and /or possession of any alcohol or illegal substance on school properties are prohibited.</p> <p>N. Organizations shall be responsible for the cost of repairing any damage or defacement of buildings and equipment from misuse by the organizations or its guests.</p> <p>O. No nails, screws, attachments, etc. of any kind are to be applied to walls or woodwork of any school facility.</p> <p>P. Summer Athletic Camps with enrollment of fewer than 80% Ramsey Resident Participants will incur fees and must submit a camp roster with this application.</p> |
