Dear parents and guardians,

Your child is invited to participate in the *Ramapo College Reading, Writing, and Study Skills Workshop*. This program is in collaboration with Ramapo College and Ramsey High School. As part of the program, your child will work one-on-one with Ramapo College students who are in the Teacher Certification Program. The program is offered after school and is open to all 9th and 10th grade students who are enrolled in English CP or Honors classes.

This workshop will offer your child an opportunity to develop and enhance his or her reading, writing, and study skills, which can be used in all subject areas at the high school level. This program is not designed for students who are struggling in a particular subject, but will be taught in a workshop format for students who are struggling with reading comprehension, essay writing, note taking, critical reading and other organizational skills. Each week the Ramapo College student will create lessons tailored around your child's individual needs. This will also be excellent preparation for the NJ-SLA test that will now be included as a graduation requirement..

Space is limited, so please return this form as soon as possible. The program will take place on **Tuesdays from 2:45 to 3:45** and it is imperative to its success that each student who is selected attends ***all ten*** sessions and remains at each session for the full hour. Attendance will be taken and parents will be notified if students miss a session. Please note: If your child is involved in fall or winter sports or other activities, he or she may not be able to participate in the workshop, so please check your calendars The dates for the fall semester are as follows:

9/21, 9/28, 10/5, 10/12, 10/19, 10/26, 11/2, 11/9, 11/16, 11/23

If your child has the interest and motivation to participate in this program, please fill out the registration form and return to Mrs. Rodriguez before **September 10, 2021**. You can put it in my mailbox at the high school or e-mail to srodriguez@ramsey.k12.nj.us. I will e-mail you a confirmation in September.

Thank you,

Susan Rodriguez

Program Coordinator
