The focus of this important meeting will be to discuss post-high school planning and the college selection process. After a brief program introduction, the counselors will meet with the parents of their specific Juniors in a group format. A separate invitation from your student's counselor to the small group Google Meet will be forthcoming. In the event that you cannot participate in the Virtual Junior Class Parent Night, the following points listed below should assist you in starting the Junior year off smoothly:

- Remind your son or daughter to access their [Naviance Student account](#) to investigate schools. In addition, students should begin work on the student surveys found under the "About Me" section of their account.
- College Representatives will be visiting us through December. Periodically check the Guidance section of our website ([Ramsey Guidance](#)) and [Naviance Student account](#) for lists of college representatives that will be visiting RHS. These sites also show Scholarship opportunities and other useful information.
- Encourage Juniors to put forth strong academic efforts this year. Ramsey's [Education Portal](#) provides current information on student academic performance.

We hope that many of you will be able to attend. We look forward to seeing you then!

Sincerely,

Michael Biggan
